

★★★★★★ Seller Review

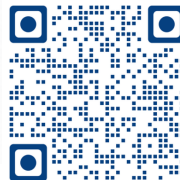

Our Experience with Charl selling our townhouse was incredible. Charl is an absolute gun. He knew exactly what to do to get the maximum price for us. His knowledge in the field is extensive. Charl knows the area so well. We were pretty nervous about putting our home on the market but Charl made the whole process really smooth. We are incredibly grateful to Charl and the RE/MAX team for all their support.

★★★★★★ Buyer Review

Thanks you so much Charl for everything that you have done. You are truly great person and we feel very much looked after over the entire process. You went above and beyond what would be expected of a Real Estate agent. I know that I will be referring you to my family and friends in the future. All the best mate. You are a champion.

You never know.
Your home might just be
worth more than you
think.
